

We are a facility owned by parents for parents! We offer a very wide variety of services, which is why we are a kids center, and not just your typical "daycare center". We offer Before/after school care, track out camp, summer camp, teacher workday/holiday care, Friday parents night out (pre-registration required), Saturday morning drop in care, and even birthday parties!! Our rates are very affordable for every program we have, and we offer free transportation to many of the local schools for the before and after care program. Our Summer Camp and Track Out Camp offers children a variety of daily field trips to keep them busy, plus we are adding some community service

activities to our schedule so children don't forget to give a little back to the community! Whether it be cleaning up a park or putting on a play at another facility for the younger kids, we like to stay focused on our community as well as having fun. Our parents night out focuses on giving parents a moment to step back and relax, whether it be curling up with a good movie or a good book, shopping, dinner with your friends, or even the rare date night, we are here for your family. We provide Pizza, refreshments and fun!

Please visit our website at www.wendelliskids.com or call 919-365-9614 for additional information.
